Know-how
from professionals
for professionals.

Reserve your exclusive place.

IGP-RAPID® Days 2026 will take place on October 6 and 7 in Wil, St. Gallen. On site, participants can expect over 200 exhibits, a state-of-the-art powder coating line for wood, and exclusive insights into current developments. The dedicated IGP team will personally guide you through the entire event and ensure an immersive experience filled with insights and expert knowledge.

The focus is on **IGP-RAPID**® powder coatings. They enable solvent-free, durable, and aesthetically high-quality coatings for woodbased materials. This opens up entirely new possibilities in design, finishing, and sustainability. What was long considered a vision is now a reality.

Practical. Inspiring. Exclusive.

RAPID® Days 2026 is intentionally limited to 30 participants. This creates space for one-on-one conversations, targeted discussions, and individual questions.

Register now and secure your place!
