## **Details**

In addition to numerous offices, several retail spaces, restaurants, a fitness studio, and a daycare center were created on a total of 57,400 square meters of rental space. There is also a publicly accessible plaza between the Marienturm (38 stories) and the Marienforum (10 stories). The design was penned by the architectural firm Müller Reimann Architekten, and the building complex was developed by Pecan Development.

The architectural images were provided by photographer Alexander Bernhard.
