Vanderlande

The two-story office extension for the Vanderlande company, located in Mönchengladbach, Germany, was designed by Schrammen Architekten. Meeting points, chill-out zones, think tanks, cafe areas, and meeting rooms were created.

Facts

Area	Architecture
Location	Mönchengladbach, DE
Year of manufacture	2000
Architect	Schrammen Architekten BDA

Details

An open office structure combines workspaces with communication, break, and relaxation areas. While the workplaces are arranged in a strictly orthogonal layout, this structure is broken up into free-flowing forms in the central zone. In terms of the floor plan and spaces, the design provides freedom for the company's employees.

The architectural images were provided by photographer Jürgen Mecke.
