Bürgenstock Hotel

The internationally renowned hotel perches at an elevation of 875 meters above sea level, amidst a breathtaking mountain landscape in the heart of Central Switzerland. With its gray-brown structure, the building's façade resembles the existing rock formations on the Bürgenstock.

Facts

Details

Situated between the Hotel Palace and the Bürgenstock SPA, the Bürgenstock Hotel blends seamlessly into the resort's overall aesthetic and offers guests a wide range of opportunities to enjoy their time in this spectacular setting. It is a place that focuses first and foremost on the needs of its discerning visitors as well as the beauty of the Lucerne region's nature and culture.

The architectural images were provided by photographer Leonardo Finotti.
