Details

With LO Guard and LO Extend, Lista Office LO demonstrates how modern office furniture can meet practical requirements while also positively influencing work culture. Functionality, flexibility, and thoughtful details come together to create a pleasant, productive, and safe work environment. Discover the possibilities offered by Lista Office LO, and join us in shaping the future of your office world.

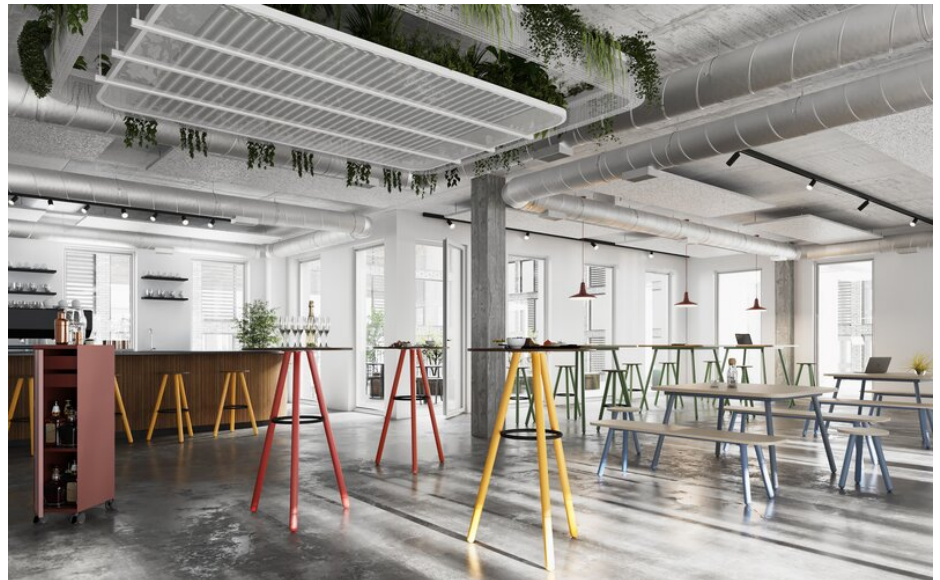

LO Guard – Safety and Organization in One System

LO Guard is the perfect solution for storing personal items, business documents, and work materials. It combines a clothing locker, lockable box, and small locker in one system that is both flexible and secure. Thanks to numerous configuration options, such as compartment electrification and custom interior layouts, LO Guard can be optimally adapted to any work zone. The stylish design, coupled with robust materials and modern locking systems, makes LO Guard a reliable companion for everyday office life.

LO Extend – Movement and Flexibility for the Workplace

LO Extend, a versatile family of desks featuring height-adjustable sit/stand tables, facilitates ergonomic work. Whether configured for continuous electric adjustment, a fixed height, or incremental settings, LO Extend allows employees to quickly switch between sitting and standing positions, enhancing their health and productivity. With modular extensions such as cable channels, CPU holders, or privacy screens, LO Extend becomes a customizable workstation. The Twin variant offers twice the flexibility, providing optimal solutions for multi-user workstations.
